

Webb County Head Start

Happy Thanksgiving

Feliz Dia de Dar Gracias

From the Director's Desk:

Aliza Oliveros

**November 2014
NEWSLETTER**

As we prepare for the holiday season, the staff at Webb County Head Start extend a warm invitation for you to volunteer in the classroom. We thank all parents, staff and consultants who have donated their time to serve the children and families of this program. Whatever your level of parental engagement, I appreciate your support!

Durante las preparaciones para los días de fiesta, el personal de Head Start del Condado de Webb les extiende una cordial invitación a ser voluntario en la clase de su niño/a. Gracias a todos los padres, personal, y consultantes que activamente participan en servicio de los niños, y las familias del programa. Cualquiera que sea su envolvimiento en nuestro programa, les agradecemos su apoyo hacia el programa y la educación de su niño/a.

Jesus Garcia Center Red Ribbon Activity & Red Ribbon Parade

EDUCATION- EDUCACION —by Lucy Trejo, Ed. Director

Teachers have been planning activities that are helping your child develop the following school readiness goals for the Fall. Teachers will share results for these goals with parents during the first home visit, which will be scheduled between Nov. 17th-Dec. 16th. Goals for the Fall 2014 include 2 for each of the five essentials domains:

Physical Development & Health— The Understanding of healthy and safe habits and practicing healthy habits & the control of large muscles for movement, navigation, and balance

Social-Emotional— The perception that one's capable of successfully making decisions, accomplishing tasks, and meeting goals. and practice healthy habits and safe habits & the ability to recognize and regulate emotions, attention, impulses, and behavior

Approaches to Learning— The ability to begin and finish activities with persistence and attention & the portrayal of events, characters, or stories through acting and using props and language.

Cognition & General Language— The use of symbols or objects to represent something else & the understanding of the relationship between people and the environment in which they live.

Language & Literacy- The ability to comprehend or understand language & the familiarity with writing implements, convections, and emerging skills to communicate through written representations, symbols, and letters.

Individual child reports will be given to parents at the home visits, center level outcomes will be provided in the month of December and program outcome reports will be given to all staff and will also be posted on the county's webpage: www.webbcountytx.gov under Head Start tab.

Las maestras han estado planeando actividades que ayudan a su hijo/a a desarrollar las metas escolares del otoño 2014. La primera visita a la casa está programada dentro del 17 de noviembre y 16 de diciembre. La maestra de su hijo/a compartirá esta información con usted durante la visita. Metas escolares, otoño 2014, incluyen 2 de los 5 dominios esenciales:

Desarrollo físico y salud—Entender lo que son los habitos saludables y seguros y practicarlos y el control de musculos grandes para moverse, orientarse y mantener el equilibrio.

Desarrollo social y emocional—La percepción de que uno es capaz de tomar decisiones, llevar a cabo tareas y alcanzar metas exitosamente y la capacidad de reconocer y regular las emociones, la atención, los impulsos y la conducta.

Enfoques de aprendizaje- La capacidad de empezar y terminar actividades con empeño y atención y la representación de eventos, personajes o cuentos mediante actuaciones y usando accesorios y lenguaje.

Cognición & conocimiento general—Usar simblos y objectos para representar otra cosa y el entendimiento de la relación entre las personas y el ambiente donde viven.

Lenguaje & lectoescritura—La capacidad de comprender o entender el lenguaje o idioma y la familiaridad con los instrumentos, convenciones de la escritura y las destrezas emergentes para comunicarse mediante representaciones escritas, símbolos y letras.

Reportes Individuales para cada estudiante se proveerán en la visita de cada parent. Resultados del centro se proveerán a un representante de cada centro. Los resultados del programa se le otorgara a todos los empleados y tambien estarán en la pagina del condado: www.webbcountytx.gov bajo "Head Start"

PRODUCE RESULTS

WEDNESDAY, NOVEMBER 5, 2014

Take the first step to making healthier food choices by taking part in the American Heart Association's National Eating Healthy Day on Wednesday, Nov. 5, 2014.

On this day, Americans are encouraged to commit to healthier eating. Celebrating National Eating Healthy Day is fun and easy!

Dar el primer paso para hacer opciones de alimentos más saludables por participar en comer saludable día de la Asociación Americana del corazón nacional el miércoles, 05 de noviembre de 2014.

En este día, los estadounidenses son alentados a comprometerse a comer más saludable. Celebra Día Nacional de comer sano es divertido y fácil

Leticia Mendoza, Nutrition Coordinator

DISABILITY

Juanita Peña, Disability Coordinator

There are children who have a disability or a combination of disabilities that make learning or other activities difficult. It is important to recognize these children. With proper interventions, every child can reach his or her full potential. Early diagnosis and attention can help the special-needs child become self-sufficient. Medical care, therapy and education may prevent disabilities from becoming more severe, build on a child's strengths, and maintain the child's pride and self-esteem. Please bring all reports such as: health records, evaluations and share your observations with your child's teacher. Learn how you can help, remember you are your child's first & most important teacher.

We thank all parents who attended the Parent staffing to learned more about helping with children's behavior management. We hope the information presented was beneficial and if you have any questions, please do not hesitate to call Specialized Services Staff at 722-6571 or visit us at 2802 McDonnell.

SERVICIOS ESPECIALES

Hay algunos niños/as que tienen una necesidad especial o una combinación de necesidades de incapacidad que afecta el aprendizaje o su participación en algunas actividades. Es importante reconocer a estos niños/as, para intervenir con el cuidado y educación y que cada niño/a alcance su desarrollo apropiado. Cuidado médico, terapia y educación pueden prevenir que las necesidades especiales se agraven y aumentaran las fuerzas del niño/a mantener el orgullo y su auto estima.

Favor de traer todos los reportes, archivos de salud, resultados de exámenes y comparta esa información con la maestra del niño/a. Recuerde que ustedes son los primeros y más importante maestros.

Les damos las gracias a todos los padres que pudieron ir al entrenamiento de Padres donde se ofrecieron información del manejo de comportamiento de los niños. Esperamos que la información que se ofreció sea de beneficio para ustedes y si tienen alguna pregunta, favor de llamar con el personal de Servicios Especiales at 722-6571 o visítenos en 2802 McDonnell.
